13. Wahta Mohawks Community Trust Reporting on Capital Projects Policy

Purpose

The purpose of this policy is to clarify the expectations of the Wahta Mohawk Community Trust for reporting on funding provided for capital projects.

Reporting on Capital Projects

The Wahta Mohawks Community Trust will work with the recipient to determine how funding will be disbursed which may include holdbacks, installments or other considerations, and how reporting on expenditures will occur. Subject to any other terms and conditions which may be agreed to between the Wahta Mohawk Community Trust and the funding recipient these are the minimum reporting requirements which must be fulfilled in order to receive Trust funds for capital projects.

1. The recipient shall provide a narrative report describing how they used Wahta Community Trust funds. The narrative report shall reference the line items in the application, where possible, and describe how the funds were used to support each line item request. The narrative report will also describe where and explain why funds were moved between approved line items, and clearly indicate where other funding sources may have also been utilized.
2. The recipient shall provide a financial statement to account for the spending of all funds provided by the Wahta Mohawks Community Trust. The financial statement shall report on each line item approved in the application. The financial statement shall reflect the line item request, and the amount actually spent on each line item. The financial statement shall note the amount of any deviation, and indicate where other funding sources may have been utilized.
3. The recipient, where possible, shall attach a general ledger record of all expenditures which correspond to all expenditures in the financial statement.
