b) Preparing the Ballots

Ballot papers must be prepared, separately listing the names of the candidates for Chief and the names of the candidates for Councilor in alphabetical order. The Electoral Officer will keep a record of the total number of ballots that have been printed.

When preparing ballot papers, the EO or AEO must ensure that the name of the candidate and spelling of each name is correct and accurately reflect the persons who were nominated.

c) Ballot Box

The EO or AEO must obtain one ballot box for the place of voting. The ballot box must be capable of being locked. The EO or AEO must also provide all other relevant election material such as pencils for marking ballots, voting directions and instructions (i.e. acceptable markings for the ballots), and compartments in which elector can mark their ballots privately.

**Wahta Mohawks
Election Rules and Regulations 2019**

d) Before Opening the Poll

Immediately before the poll opens, the EO or AEO will examine the ballot boxes in the presence of witnesses to ensure that they are empty. The boxes are then locked and must remain sealed for the duration of the poll.

e) Duration of Poll

The EO or AEO must be in attendance at each of the polls at all times during the polling. The polls on polling day open at 9:00 a.m. and close at 7:00 p.m. Any voters who are inside a polling place before the poll closes are allowed to cast their ballot.

f) Scrutineers

Each candidate is entitled to a maximum of one (1) Scrutineer and one on standby in case of emergency in a polling place at any given time. The Scrutineers in attendance are there to observe the election proceedings only. If they are present before the poll opens, they may witness that the ballot boxes are empty. They may also be present at the counting of ballots after the poll is closed. Scrutineers are not to receive any compensation from the Wahta Mohawks.

Candidates must provide a written letter to the EO or AEO identifying their Scrutineer prior to the opening of the polls. Candidates can change Scrutineers once identified.

g) Issue of the Ballot

Once the EO or AEO has determined that a person is a qualified voter, the EO or AEO can provide him/her with a ballot marked for identification by the EO or AEO by initialing the ballot on the back.

h) Return of Ballot

The voter will, upon leaving the polling booth, immediately return to the EO or AEO and present the folded ballot. The EO or AEO must then, without unfolding the ballot, verify that it is the same ballot, with the EO or AEO initial. Then, in the presence of the voter and anyone else who is there, the EO or AEO will deposit the ballot in the ballot box.

i) Aiding a Voter

If a voter is unable to mark his/her own ballot as a result of physical inability, the EO or AEO may, at the voter's request, mark the ballot. The EO or AEO must mark the ballot according to the voter's instructions.

j) Spoiled Ballot

A voter, upon returning from the polling booth, may exchange a ballot for a new ballot. The old ballot can no longer be used. Upon receipt of the old ballot, the EO or AEO will write the word "spoiled" on it and retain and record it. The EO or AEO will then issue a new ballot to the voter. The voter will immediately proceed again to the polling booth to mark his/her ballot.

**Wahta Mohawks
Election Rules and Regulations 2019**

k) Forfeited Ballot

When a voter who has received a ballot refuses to vote, or who leaves the polling place without returning his/her ballot, loses his/her right to vote. The EO or AEO must mark the word "declined" on the voter's list beside that voter's name.

l) Obstruction of Voting

While a voter is marking their ballot, it is unlawful for anyone else to interfere with them. It is also unlawful for anyone to obtain knowledge of how another person may have voted while they are in the polling place. The only exception would be in the case of the request for the EO or AEO to mark the ballot.

m) Ending of Voting

At the designated time, the polling area will promptly be closed. Any elector who is inside the polling area at closing time and who has not voted may do so without delay.

n) Counting the Ballots

The EO or AEO will begin counting the ballots as soon as the poll is closed. The EO or AEO has the option to call for a half hour break by sealing the ballot box and securing the locked ballot box, providing that the ballot box stays in the custody of either the EO or AEO in the polling area.

Candidates, Scrutineers of candidates and any eligible voters, who were present at the close of the poll, have the right to observe the counting procedure.

The EO or AEO will open the ballot box and count the ballot papers in such a way that anyone present can see how each ballot is marked.

The EO or AEO will keep score on the tally sheet, as the candidates' names are called.

o) Rejected Ballot Papers

As each ballot paper is read, the EO or AEO may reject ballots for any of the following:

- ii. Ballot paper marked "spoiled" or "declined";

- vi. Ballot paper marked outside of area of the name of the candidate

**Wahta Mohawks
Election Rules and Regulations 2019**

p) Objectionable Ballots

During the examination of the ballots, any eligible voter present may object to the decision concerning the acceptability of a ballot. If such an objection is raised, the reason should be marked on the back of the ballot in question. For the purpose of counting the votes on a questionable ballot, the EO or AEO's decision to accept or reject it stands.

q) Record of Votes

Only those ballots which have been accepted, will now be counted. The EO or AEO will total the votes cast for each of the candidates. The EO or AEO will record the number of rejected ballots, accepted ballots, and unused ballots.

r) Declaration of Results and Tie Vote

As soon as the EO or AEO has all the counted votes totaled, he/she will publicly declare elected the candidates who received the most votes for each position until all the positions on Council are filled. In the event of a tie vote, for the position of Chief or the last Council position a recount will be undertaken. The EO or AEO is responsible to secure and maintain the ballot box with the enclosed ballots, until appeals are exhausted.

Should a tie vote remain, the method used to break the tie will be a bi-election.

s) Notice and Statements of Results

Without delay, the EO or AEO must post in a noticeable place at the Wahta Mohawks Administration Office, a signed statement of the results showing the number of votes cast for each and all of the candidates. Chief and Council will take office immediately but can be subject to any appeal.

t) Destroying the Ballots

The EO or AEO is responsible to keep the ballots and the ballot box in a secured area, free from tampering, until all appeals have been exhausted. The EO or AEO will destroy the ballots after all appeals are exhausted. The EO or AEO will note and record the day and time the ballots were destroyed.
