Wahta Community Feedback Initiative

# Our Vision For This Project

---

Future Design School was enlisted to help articulate opportunities for enhancing effectiveness and gaining input for strategic planning and deepening community engagement.

# Sarah Prevette

---

Sarah has developed transformational strategy for some of the country's biggest business leaders and renowned brands. Globally recognized for her work in human-centered design and entrepreneurship, she works alongside leaders in organizations to drive increased effectiveness and solve complex challenges.

# the process

1. First step was to engage staff to understand current initiatives, processes and programs.
  1. Second step was to engage the community for direct feedback & insight into current experience.
1. We are now actioning all of the insights to formulate a strategic plan with clear, measurable goals that will be shared shortly.

# The Community Consultation
