### **Softwood Remains Available**

Softwood logs from the clearing of the site on Wahta Road 5 for the new duplexes remains available to members. The logs are approximately twenty feet in length and range in diameter from about six inches to eighteen inches.

They are located in front of the fourplex just off Wahta Road 5.

Members are free to take as much of the softwood as they need and there is no need to contact any staff member before cutting/removing the wood.

Please also be advised that anyone cutting and removing the logs will do so at their own risk and Wahta Mohawks will not be responsible for any injuries or damages that may occur.
